

A VISION FOR A NEW REGIONAL FACILITY FOR POULSBO AND NORTH KITSAP

The Poulsbo Events and Recreation Center (PERC) is a concept for a multi-use recreational, educational, and events center. With the financial support of the Kitsap Public Facilities District and the encouragement of the Kitsap community, the City of Poulsbo is undertaking the planning of the new facility.

The City of Poulsbo welcomes the community to an exciting opportunity to participate in the planning of the PERC. We are inviting everyone to help determine the best and highest potential for the PERC. Let us know what your preferences and ideas you have to make this an exceptional community asset.

Please take the survey and learn about our project at cityofpoulsbo.com/perc/.

INDOOR RECREATION

Access to indoor recreation for all ages, with diverse programs and quality equipment.

OUTDOOR RECREATION

Including lighted fields for active sports and passive recreation settings for family, student, and resident enjoyment

EVENT SPACE

For regional events that connect business, educational institutions, and recreational users from across the region

“We are fortunate during these challenging times to have a project that can bring our community together in a process to create a great new public facility for kids and adults, sports and education, and business and recreation. Please join me in this process to create a PERC that serves our entire community.”

– Becky Erickson, Mayor of Poulsbo

WE WANT TO HEAR YOUR IDEAS!

- **Learn about our project.** Go to cityofpoulsbo.com/perc and sign up on our community outreach list.
- **Provide your input.** Look for the survey where you can provide your ideas on event, indoor recreation and outdoor recreation uses
